

PORTUGAL PRO GOLF TOUR

ABOUT

The *Portugal Pro Golf Tour* is a 6-month long golf tour, played on some of Portugal's finest golf courses. It is organised with the support of P.G.A. Portugal and welcomes all Professionals.

The tour consists of 24 tournaments, divided into 8 separate swings (3 tournaments per swing). The tour starts on the 22nd of November 2017 and finishes in early April just in time to for the UK and Nordic Tour tours.

The prize fund per competition is €10.000 (guaranteed). Also note that unlike similar tours in Europe, there is NO extra tax on the prize money on the Portugal Pro Golf Tour.

The Order of Merit winner for each of the 8 swings will receive FREE entry into the entire 2018 Jamega Tour season.

Last year the overall Order of Merit Winner received an entry into the Portugal Open Championship (ET). Winner of the 2017/2018 overall Order of Merit will receive the same benefit (to be confirmed).
