***Shenzhen is Global Hub for Business and Golf**

Shenzhen is a major metropolis in Southern China, renowned for its rapid economic growth, technological innovation, and modern urban planning. With a population of approximately 17 million, it serves as a central pillar of the Greater Bay Area.

Known as "China's Silicon Valley" the city hosts numerous global high-tech corporations, contributing to a highly modern infrastructure characterized by iconic skyscrapers and advanced public systems. The city offers exceptional logistical access through the Shenzhen Bao'an International Airport and its immediate proximity to Hong Kong , providing seamless connections to major global cities. As a dynamic international hub, Shenzhen supports a large, diverse community of expatriates, contributing to a cosmopolitan atmosphere.

***Climate and Lifestyle**

The city experiences a subtropical climate, which is highly conducive to an outdoor-oriented lifestyle. Year round golfing: The weather remains temperate and favorable throughout the year, allowing for consistent practice and play. Unlike regions with harsh winters, Shenzhen's climate ensures that facilities like the Palm Springs International Academy remain active during all four seasons.
